

## REMARKS

Please withdraw the Amendment to the Claims submitted on August 27, 2008, and reconsider the application in view of the current amendment.

### Disposition of Claims

Claims 66-88 were pending in the current application. Claim 70 is canceled in this reply. Claims 80, 82 and 84-88 are withdrawn in this reply as non-elected claims. Claims 66-69, 71-79, 81 and 83 remain pending after these amendments. Claim 66 is independent; the remaining claims depend directly or indirectly from claim 66.

### Claim Amendments

Applicant requests entry of the attached amendments to Claims 66-79, 81 and 83 of previously elected Group I, and withdrawal of Claims 80, 82 and 84-88 as non-elected claims in accordance with 35 USC 121 and 372.

An amendment to claim 66 is made to include a the bacterial specific limitation of Claim 70 which is herein canceled. Changes are made in Claims 79 and 83 to clarify the claimed inventions.

Applicant believes this Amendment, in compliance with 37 CFR 1.121(c), brings the current application into better condition for allowance. No new matter has been introduced by these amendments.
